Horses and Cattle. Which are Superior in Their Breed to Others.

The Ladies Department and the Many Beautiful Things to be Seen There.

Yesterday closed the fair. The directors labored hard and long to make it a success, and it was a success from beginning to end. There were many features and not one but which was attractive. The dog show took, and its success is due to the labor of Jack Wilson, secretary of the Kennel club, and Frank Shepley, who had the dogs in charge. In the ladies department, Mrs. Porter and Miss Phillips carried off high honors. The premiums awarded in the various classes follow:

SANDS BROS.

CLEARING OUT AT
Sands Bros's.
AND WHAT IT MEANS!

The immense business that we have done this, the dullest month of the year, has surprised even ourselves. When one considers a moment that we are jammed in less than two-thirds of the store room occupied by us last year, and the hammering and building that is constantly going on all around us, the above fact is nothing short of remarkable. The people of Helena have become aroused to the fact that we are

CLEARING OUT,
And seem to fully appreciate what it means—that we are marking down goods to prices so low that you cannot help buying them. It means such bargains as Helena is not likely to see every day in the year. Notwithstanding the fact that

BRICKS AND SCAFFOLDING
Will be the most prominent feature on the outside of our store the coming week, we will show to those who are curious to know what we are doing on the inside an elegant line of

COMBINATION DRESS GOODS

1889 FALL WEAR 1889

Fall Goods are now arriving daily, especially Dress Goods, Silks, Cloaks and Newmarkets.

Come to our store to-morrow, or some day during the week, and we have no doubt that your time will be well spent.

SANDS BROS.

Revolution in Business Principles At THE BEE HIVE.

Having decided to make an entire change in our present manner of doing business, as well as to do business on a different plan from any other house in Montana, we will, from this date on, sell any and all goods in our store at the very small profit of

ONLY TEN PER CENT.

Our object in doing this is to increase our business at least tenfold, thereby making our plan feasible and profitable, and at the same time give the purchasing public BETTER GOODS for their money than has ever before been offered in Montana.

We shall carry this plan out to the letter, and our aim is to have the reputation that THE BEE HIVE IS THE CHEAPEST HOUSE IN THE STATE OF MONTANA, and we feel assured that our plan will be successful. This is no buncombe or advertising dodge, but every word in the above tells solid facts, and we will guarantee every word we say. Call and be convinced for yourself.
